President, District Fund Board

To.

Secretary to the Government of Mysore.

Sir.

I have the honor to state that a sum of Rs 760 was sanctioned from Local Funds General in Government Order no 258-60 dated 10th July 1900, for improving the Cart track from Galige-Kere Toddy Vanam to connect the Chelur-Hagalvadi road in the Gubbi Taluk and work to the extent of Rs 600 was carried out, up to the end of the year 1900-1901. L.F. 15 99

The work was subsequently checked by the District Sub Overseer and a cheque for Rs 585-10-0 was issued to the Contractor for work done. On the 18th March 1902.

The measurement Bill and Payee's receipt were afterwards sent to the Comptroller with the monthly Accounts for March 1902. But the Comptroller objects to accept this charge on the ground that this work was not included in the list of Local Funds General Incomplete works for 1901-1902.

A

As this was a special grant sanctioned from Local Funds General for the above work, it was not included in the list of Local Funds General Incomplete works for 1901-1902. I therefore request that orders may be kindly passed authorizing the Comptroller to accept the charge in question.

I have the honor to be
Sir,
Your most obedient servant

Incomplete Works for 1901-02; and that, as the Grant for the work in question was a Special one, the work was not included in the said list; and requesting that the Comptroller may be authorized to accept the charge in question.

Order thereon. No 309-10
L.J. 15-99

D 3/10/02

The work in question was Sanctioned in 1900-01. At the close of that year the Grant for this work, or, if any money was spent on it, the unexpended balance, lapsed to Government. The President did not ~~failed to~~ include this work

work in the list of Incomplete works for 1901-02 and in consequence the lapsed grant for this work was not renewed. The explanation furnished by the President for not having included the work in question in the said list is not satisfactory. The Comptroller was right in taking objection to admit the charge of Rs 5856 in the accounts for 1901-02 for want of provision.

2. As, however, the Comptroller is, however authorized to admit the expenditure on this cart track if incurred and paid for before the end of June 1902, from the closing balance at the credit of the L.F.G. for that year.

1. the Comptroller is authorized to admit the same
3. The Resident is requested not to allow such omissions to occur in future.
